SPECIFICATIONS:

Tops and Panel Legs on Desks, Returns, and Credenzas are faced with wear, stain and heat resistant thermal-fused laminate over industrial grade 1" solid core particle board. Edges are covered with matching durable, eased 3mm PVC edge banding.

Filing System: A combination letter or legal size filing system is standard on Desk, 24" Return, Lateral and Vertical File Drawers. Letter files are arranged front to back, Legal files are arranged side-to-side.

Locks: All full pedestals, lateral and vertical file cabinets come with a gang lock. Lock cores are interchangeable. Desks and matching returns are keyed alike unless specified differently.

Pedestals as well as other vertical surfaces are faced with wear, heat and stain resistant melamine laminate, thermal-fused to industrial grade 45 lb. particleboard and edged with matching chipproof PVC banding. Desks with box drawers include a full-sized pencil and clip tray as well as one adjustable divider in each box drawer.

Drawers: File Drawers in Desks, Returns and all Credenzas are equipped with three-section full extension ball bearing slides. All other Drawers are furnished with two-section slides. Fronts are PVC banded on all four edges for protection against chipping. Drawer boxes are surfaced with carefree light oak vinyl.
